REQUEST FOR BOARD ACTION

DESCRIPTION: Parking on S. Gaston St.

AGENDA ITEM NO. 3A

MEETING DATE: 10/26/2021

BACKGROUND INFORMATION:

At the October 12th Board of Aldermen meeting, a concern was raised about parking along the street and line of sight on S. Gaston St. There are currently 160 parking spaces along S. Gaston St. with many of these spaces too close to intersections and driveways, based on standard parallel parking dimensions. Each space should be 25' long, 15' from driveways and/or intersections, and 10' from hydrants.

For discussion, Town staff has reviewed the situation and has the following recommendation to mitigate the safety issues along that street:

- Reconfigure the parking spaces along S. Gaston St. to meet standard parallel parking dimensions. This would result in a loss of approximately 50-55 parking spaces, but leaving approximately 105 spaces.
- Modify the parking ordinance to no longer allow parking of box trucks or box trailers in street parking.

Staff believes the recommendation will result in safer conditions along S. Gaston St. for residents and motorists.

DESCRIPTION: Update on ARPA Funds

AGENDA ITEM NO. 3B

MEETING DATE: 10/26/2021

BACKGROUND INFORMATION:

On March 11, 2021, the American Rescue Plan Act (ARPA) was enacted, which included \$350B for Coronavirus State & Local Fiscal Recovery. The Town of Dallas expects to receive \$1,528,791.64 in total funds that are broken into two dispersments of \$764,395.82. The first dispersment was received in July 2021, with the second dispersement to be received in the summer of 2022.

Attached is some information to date concerning ARPA funds. Currently, there is Interim Guidance from the U.S. Treasury; but the Final Guidance on requirements and use has still not been issued.

Moving forward, Dallas' first priority will be getting up-to-date policies in place to facilitate usage of the funds once the final decisions are made. There is time to explore how to best use the funds to return the best value for the citizens.

ARP/CLFRF Allowable Expenditures

Address COVID Public Health

Support public health expenditures, by funding COVID-19 mitigation efforts, medical expenses, behavioral healthcare, and certain public health and safety staff;

Address COVID Economic Impact

Address negative economic impacts caused by the public health emergency, including economic harms to workers, households, small businesses, impacted industries, and the public sector;

Replace Lost Revenue

Replace lost public sector revenue, using this funding to provide government services to the extent of the reduction in revenue experienced due to the pandemic;

Premium Pay

Provide premium pay for essential workers, offering additional support to those who have borne and will bear the greatest health risks because of their service in critical infrastructure sectors; and,

Infrastructure Investments

Invest in water, sewer, and broadband infrastructure, making necessary investments to improve access to clean drinking water, support vital wastewater and stormwater infrastructure, and to expand access to broadband internet.

ARP/CLFRF are Public Funds!

1 A project must be ARP-CLFRF eligible AND authorized by state law

2 A local government must follow BOTH federal and state compliance requirements
