Date Signed: JUNE / 10th /2021

Item 10D was a request from Mr. Kahler to reappoint Dr. Beth Heywood to another term on the Planning Board/Board of Adjustment. Dr. Heywood was originally appointed as an alternate in 2008, and then appointed as a full member in December 2009. She has been an asset to the Board, and an asset to the Town. Her term expired on June 30, 2012. A reappointment will have her serving a new term from July 1, 2012 until June 30, 2012. Mr. Huggins made a motion to reappoint Dr. Beth Heywood to a new 3-year term on the Planning Board/Board of Adjustment, seconded by Ms. Morrow, and carried unanimously.

~~Item 10E~~ was a request from Ms. Stroupe to formalize the policy concerning group healthcare benefits for retirees with 30 years of service. It has been the understanding that retirees with 30 years of service with the Town of Dallas, who retire at an age less than the current Medicare Eligible age, will continue to receive group healthcare coverage with the Town until they reach the current Medicare Eligible Age. While this has been a standing verbal policy, there has been no written policy. In order to maintain consistency and structure, this policy should be formally adopted and placed in the Town's Personnel Policy Manual. (Exhibit D) The proposed policy was discussed and through consensus some clarifications were proposed; 1) if the retiree obtains employment with another entity and becomes eligible for insurance through that employer, they would no longer be eligible for coverage under the Town's plan, and 2) the retiree would not be given the opportunity to cover a spouse or dependent under the Town's plan. Mr. Beaty made a motion to table this discussion until the next Board meeting to allow staff the opportunity to revise the policy and bring that proposal back to the Board, seconded by Mr. Martin, and carried unanimously.

Item 10F was a request for a discussion on the current noise ordinance by Mr. Brent Hoyle, owner of CrossRhodes BBQ and Tavern. Mr. Hoyle would like the Board to consider revising the current noise ordinance (Exhibit E) to allow Friday and Saturday hours to be extended until 12:00 am and to increase the decibel level from 75 db to 80 db. The current ordinance indicates a cut off time of 11:00 pm on Fridays and Saturdays. The current ordinance actually already allows a decibel of 80 db during the allowed time periods. Mr. Huggins stated that he agreed with Mr. Hoyle's request and made a motion recommending that staff revise the current ordinance to include allowable times until 12:00 am on Fridays and Saturdays, seconded by Ms. Morrow, and carried by a vote of 4 – 1 as follows: Yays – Mr. Martin, Mr. Withers, Ms. Morrow, and Mr. Huggins. Nays – Mr. Beaty. Staff will present a revised ordinance at the next meeting along with a public hearing on the matter.

Mr. Palenick gave a Manager's Report highlighting various projects underway.

Mr. Withers made a motion to enter into a closed session to discuss two personnel matters and seek legal advice as provided for in § 143-318.11, seconded by Ms. Morrow, and carried unanimously. (7:12)

Mr. Withers made a motion to exit the closed session, seconded by Mr. Martin, and carried unanimously. (7:39)

Mr. Martin made a motion to adjourn, seconded by Mr. Withers, and carried unanimously. (7:44)

Rick Coleman, Mayor

Maria Stroupe, Town Clerk

of the council, excluding vacant seats and not including the mayor unless the mayor has the right to vote on all questions before the council”, this amendment must come up for vote again at the next meeting as it would take an affirmative vote by 4 board members to pass on the first reading.

Old Business:

Item 9A was carried over from the last meeting to consider setting a policy on the provision of group health insurance for Town employees retiring with 30 years of credited service. It was tabled, pending several amendments be made to the originally proposed policy. (Exhibit C) It has been the understanding that retirees with 30 years of service with the Town of Dallas, who retire at an age less than the current Medicare Eligible age, will continue to receive group healthcare coverage with the Town until they reach the current Medicare Eligible Age. While this has been a standing verbal policy, there has been no written policy. In order maintain consistency and structure, this policy should be formally adopted and placed in the Town’s Personnel Policy Manual. Mr. Withers made a motion to table this item until the next meeting in order to determine the number of employees with 20+ years of service. The motion died for lack of a second. Mr. Martin made a motion that upon retirement from the Town of Dallas, the Town would cease to provide group health insurance for the retired employee or their dependents, seconded by Mr. Beaty, and carried by a vote of 4-1, as follows:

Yays – Mr. Martin, Mr. Beaty, Ms. Morrow, and Mr. Huggins
Nays – Mr. Withers

Staff will write up the appropriate policy and present it to the Board for information at the next meeting. No approval will be necessary, as the policy was just approved.

Item 9B concerned wastewater treatment proposals with Gastonia. Dallas made a proposal to Gastonia to be a long-term customer of wastewater treatment at a guaranteed rate of cost plus 15%. Gastonia was not interested in this proposal at those rates and terms and proposed a substantially higher rate. Dallas then made a counter proposal to purchase treatment plant capacity from Gastonia. Again, Gastonia responded to the negative. (Exhibit D) Town staff seeks direction from the Board as to further negotiations. Staff recommends that we do not pursue further negotiations for treatment, but that work is made toward an inter-connect with Gastonia to provide for future emergencies with the two municipalities sharing the cost of the project, which is estimated to be approximately \$175,000. (Exhibit E) Mr. Beaty made a motion for Mr. Palenick to draft a response to Gastonia expressing Dallas’ appreciation for their discussions and acknowledging that the two sides are too far apart on the treatment negotiations to continue those talks, but that Dallas would be agreeable to a joint inter-connect project with both municipalities sharing equally in the cost of the project; seconded by Mr. Martin, and carried unanimously.

Item 9C did not require an action, but is of great interest to Dallas. A developer has plans for a 103 unit apartment complex on land previously annexed into the Town limits. This project has applied for a Federal Housing Grant to subsidize the project. If this grant is received, the complex would become a subsidized housing project that would require that at least 26 of the 103 units be rented to tenants that have incomes below 30% of the County Median Income and at least 41 of the 103 units be rented to tenants that have incomes below 50% of the County Median Income. The Town has the right to submit its position concerning the project, as a matter of record. (Exhibit F) Mr. Beaty made a motion to direct the Manager to issue a letter to the Housing Finance Agency objecting to a government subside of the apartment project plan presented, seconded by Mr. Withers, and carried unanimously.

New Business:

Item 10A was presentation by Chief Buckner of a proposed policy for the activation of the Emergency Warning Siren. (Exhibit G) Since the Town has installed the outdoor emergency warning siren, it is necessary that the

Current Retiree Healthcare Policy

Medical coverage will extend to the retired employee only. **Dependents (spouse, children, etc.) will not be eligible to receive NOR purchase coverage under the Town Group Plan.**

At such time as the retired employee reaches Medicare Eligible age, group coverage under the Town of Dallas plan will cease and the retired employee will be responsible for obtaining Medicare, and any Supplemental Insurance as they deem necessary, at their own cost. **Further, any retiree eligible for coverage continuation shall lose that eligibility and coverage if, and when, the retiree becomes employed following retirement from the Town, and as a result becomes eligible for coverage under the new employer’s plan.**
