REQUEST FOR BOARD ACTION

DESCRIPTION: Service Territory with City of Gastonia – **ADDED ITEM**

AGENDA ITEM NO. 3E

MEETING DATE: 08/22/2023

BACKGROUND INFORMATION:

The City of Gastonia has reached out concerning parcels that have been annexed into the City for developments on Dallas Bessemer City Highway and Robinson Clemmer Road. Dallas has electric service lines in the area of both of these developments. Willie Smith and I have met with the Electric Committee with preliminary information. I have also been in contact with Gastonia's City Manager concerning options for the electric service in these developments.

A discussion concerning options for the service of these developments will provide direction on how to proceed.
