TOWN OF DALLAS MINUTES FOR BOARD OF ALDERMEN MEETING APRIL 11, 2017 6:00 PM

The following elected officials were present: Mayor Coleman, Alderman Withers, Alderman Cearley, Alderwoman Thomas, and Alderwoman Morrow. Alderman Huggins was absent.

The following staff members were present: Maria Stroupe, Town Manager; Da'Sha Leach, Town Clerk; Tom Hunn, Town Attorney; Doug Huffman, Electric Director; Martine Vaca, Development Services Director; Crystal Certain, Finance Director, Steve Lambert, Fire Chief; Anne Martin, Recreation Director and Bill Trudnak, Public Works Director. Allen Scott, Police Chief was absent.

Mayor Coleman called the meeting to order at 6:00 pm.

Mayor Coleman opened with the Invocation and the Pledge of Allegiance to the Flag followed.

Mayor Coleman asked if there were any additions or deletions to the amended agenda. Alderman Cearley made a motion to approve the amended agenda with 10D deletion, seconded by Alderwoman Morrow, and carried unanimously.

Alderwoman Thomas made a motion to approve the corrected minutes from February 14th Meeting, seconded by Alderman Withers, and carried unanimously. Alderman Withers made a motion to approve the March 14th Regular Minutes and March 28th Work Session Minutes, seconded by Alderman Cearley, and carried unanimously.

Consent Agenda:

Item 5A was a Proclamation of National Police Week 2017. (Exhibit A)
Item 5B was an Authorization of Submission of Written-Off Accounts to NC Debt Setoff.
Alderwoman Thomas made a motion to approve the Consent Agenda, seconded by Alderman Cearley, and carried unanimously.

Recognition of Citizens:

Debbie Lowery, Safety Coordinator for the Town of Dallas talked in detail about the NC Department of Labor Sharpe Award program and how the Town of Dallas placed in the award. The Sharpe Award is a N.C. Department of Labor's Safety Awards Program to recognize private and public firms throughout the state that achieve and maintain good safety records. The program is designed to stimulate interest in accident prevention and to promote safety in the workplace by providing an incentive to employers and employees to maintain a safe and healthful workplace. Ms. Lowery introduced North Carolina Commissioner of Labor Cherie Berry to present the Sharpe Award to the Water Plant, the Waste Water Plant and the Electric Department. Pictures were taken with Commissioner Berry with department employees present receiving the award. (Exhibit B)

Mr. Curtis Wilson, 438 S. Gaston St., He prayed for our town, the agenda, and wisdom for leadership.

Special Events & Requests for In-Kind Services:

Item 7A was a Special Events Request for Mayfair on the Square (Partnership with Museum and Dallas Ambassadors). The Mayfair on the Square will be held on Saturday, May 13th from 10:00 am until 4:00 pm. The estimated attendance is 800 people. This is a free family friendly event that will include a car show, food trucks, games, live music, and artist vendors located along Main Street and Holland Street around the Historic Dallas Court Square. (Exhibit C) Alderwoman Thomas made a motion to approve, seconded by Alderman Withers, and carried unanimously.

Item 7B was a Special Events Request for Running with the Good News 5k by Promised Land Baptist Church by Pastor Blankenship. This is a request to perform a second annual 5k Run to raise funds for the Promised Land Baptist Church's missions. They will use the route in Dallas previously used in the Kelly Guffey Memorial Run. The event will be held on October 28th, with the race set to begin at 8:00 am. The estimated attendance is 150-200 people. Pastor Blankenship made a donation on behalf of the church to the Town last year after the event to cover Town expenses and he was present at the meeting for any questions from the Board. (Exhibit D)

Alderman Withers made a motion to approve, seconded by Alderman Cearley, and carried unanimously.

Item 7C was a Special Events Request for the Summer Concert and Cruise-In. The Summer Concert Series and Cruise-In is a schedule of events throughout the summer for Dallas at the intersection on N. Holland St. and W. Main St. The first event in this series will be on Saturday, June 10th, 2017 starting at 6:00 pm and ending at 8:30 pm. Midnight Allie will be performing at this event. They have performed for Dallas in the past and had a great turnout. The estimated attendance is 300 people. There was discussion amongst the Board members regarding the time schedule for the events and additional types of bands to perform in the series. (Exhibit E)

Alderwoman Thomas made a motion to table until the next meeting, seconded by Alderwoman Morrow, and carried unanimously.

Public Hearings: None

Old Business:

Item 9A was an Addition to Summer Concert Series Events by Alderman Cearley. Mr. Cearley wanted the Board to consider adding a 5th Concert to the Summer Concert Series, featuring "Coming Up Brass". They have performed before in Dallas and there was a great turnout to the event. A list of available upcoming dates were presented to the Board for consideration. There was also a list of other events happening in the County to reduce competing and increase the possibility for a greater turnout for the Dallas event. (Exhibit F)

Alderman Cearley made a motion to approve the Sept. 2 concert, seconded by Alderwoman Morrow, and carried unanimously.

New Business:

Item 10A was for Approval of Banking RFP. A request for proposal (RFP) was sent out to several local banks for banking services associated with the Town's main operating account. The Town of Dallas has used BB & T for the last 40+ years. Approximately 5 years ago when an RFP was sent out, BB&T was the best choice among the banks that responded. This year, BB&T, Park Sterling Bank, and Bank of the Ozarks responded to the RFP. All the response were considered, the recommendation was to move the Town's banking services for the main operating account to Bank of Ozarks. Moving the account to the Bank of Ozarks would net a gain of at least \$11,682.24 annually as well as having an opportunity to save significantly on credit/debit payments to bring a larger gain to the Town. Bank of Ozarks is 5.4 miles from Town Hall and some Board members expressed concerns with deposit delivery during the week. (Exhibit G)
Alderman Cearley made a motion to stay with BB& T for banking services, seconded by Alderwoman Morrow. Yays were Cearley, Morrow, and Withers. Nays were Thomas.

Item 10B was for Duke Coal Ash Settlement Agreement. The Town has been in negotiations with Duke Energy via the consultant, Summit Utility Advisors, concerning an agreement for Duke to recover some costs associated with the clean-up of Coal Ash. The negotiations have finally reached a conclusion that has resulted in an agreement, The Amended Purchased Power Agreement With Duke Energy Carolinas Regarding the Handling of Coal Ash And Compliance With CAMA And The CCR Rule. Board members were given a summary sheet outlining the major points of the agreement in the agenda packet, along with projected costs to be incurred by Dallas over the remainder of our contract with Duke Energy. For the purposes of the agreement "CAMA" is the Coal Ash Recovery Act and "CCR" is Coal Combustion Residuals. Based on the agreement, Dallas would begin remitting recovery costs to Duke in July 2017. Insurance proceeds may reduce the cost of payments presented. It was recommended to approve the Purchased Power Agreement with Duke Energy Carolinas regarding the handling of Coal Ash as presented, based upon the recommendation of consultants, Summit Utility Advisors. (Exhibit H) Alderwoman Thomas made a motion to approve, seconded by Alderman Cearley. Yays were Thomas, Cearley, and Huggins. Nays were Morrow.

Item 10C was for Request to Rename 500 Block of S. Spargo St. Alderwoman Thomas made this request to rename the 500 Block of S. Spargo St. to Jamine Malker Way in memory of her late daughter. Governing Boards have the authority to change street names. Items to be aware of when contemplating a street name change: 1) All residents/properties must change their address with any business, banking, driver's license, utilities, services, and personal interactions they have, which may incur financial costs for the resident; 2) Gaston County GIS, Tax, Register of Deeds, Elections, 911, etc. must change all affected properties in their databases, which may incur financial costs for the resident; 3) US Postal Service must change all affected properties in their databases; and 4) Public Safety entities must change all affected properties in their databases. Other considerations from the Town's perspective would be: 1) Should one portion of a street name be changed or the entire street for consistency, and 2) What criteria should be applied when contemplating changing the name of a street. Some Board members expressed many concerns since the Town does not currently have a policy in place regarding Road Name Changes. The general consensus from the Board was to have a policy so they can show impartiality and fairness to anyone submitting for a road name change. (Exhibit I)

Alderman Withers made a motion to table until attorney can look into a policy, seconded by Alderwoman Morrow. Yays were Withers, and Morrow. Nays were Cearley. Thomas did not vote.

Manager's Report:

- House Bill 503- If passed, this will disallow any transfers to the General Fund from the Electric Fund. This will have an impact on how funding can be processed and will likely need more pre-planning of things to come.
- Gym Policy is being worked on and the Recreation Committee will be involved.
- -Employee Family Day was a great turnout for the employees and their families.
- -Parking Lot project is winding down and they have a punch list to complete it.
- -Drive-Thru drop box has been ordered.
- -A Booklet for the layout for the Sewer System Mgmt. Plan Copy was left for each Elected Official for review. There will be a discussion at the work session meeting on 4/25/2017.

Alderman Cearley made a motion to go into a closed session §143-318.11 to discuss personnel matters, seconded by Alderman Withers, and carried unanimously. (7:35)

Closed Session:

A. Personnel

Alderwoman Thomas voted to exit the closed session, seconded by Alderman Cearley, and carried unanimously. (8:14) No Action Was Taken.

Alderman Cearley made a motion to adjourn, seconded by Alderwoman Thomas, and carried unanimously. (8:15)

Proclamation For National Police Week 2017

WHEREAS, there are approximately 900,000 law enforcement officers serving communities across the United States, including the dedicated members of the Dallas Police Department; and

WHEREAS, there were 15,548 assaults against law enforcement officers in 2015, resulting in approximately 14,453 injuries; and

WHEREAS, since the first recorded death in 1791, more than 20,000 law enforcement officers in the United States have made the ultimate sacrifice and been killed in the line of duty; and

WHEREAS, the names of these dedicated public servants are engraved on the walls of the National Law Enforcement Officers Memorial in Washington, D.C.; and

WHEREAS, 394 new names of fallen heroes are being added to the National Law Enforcement Officers Memorial this spring, including 143 officers killed in 2016 and 251 officers killed in previous years; and

WHEREAS, May 15 is designated as Peace Officers Memorial Day, in honor of all fallen officers and their families, and U.S. flags should be flown at half-staff.

NOW, THEREFORE, BE IT PROCLAMED, that the Town of Dallas formally designates May 14-20, 2017 as Police Week in Dallas, North Carolina, and publicly salutes the service of law enforcement officers in our community and in communities across the nation.

Adopted this the 11th day of April, 2017.

ROAD CLOSURES

If your event involves road closures, a parade, a foot or bike race, any other type of procession, or more than one location, please attach a Route and Traffic Plan. Include the required information (listed below) and any additional information that you believe apply to your event. When planning a moving route, the Dallas Police Department is available to assist you in planning your route.

- NC and US roadways will also require approval from the NCDOT.
- The proposed route to be traveled including the requested starting and termination point. Please also clarify the directions of movement of your event.
- Routing plans for traffic. Illustrate a plan to include roads that you are requesting to be closed to vehicular or other traffic for your event. Include planned arrangements to resolve conflicts with people trying to reach businesses, their own residences, places of worship and public facilities including public transportation.
- Whether the event will occupy all or a portion of the street(s) requested for use.
- Proposed locations for barricades, signs and police/volunteers.
- The provision of twenty foot (20') minimum emergency access lanes throughout the event site.
- White temporary water base paint can be used to mark the route on the street pavement (May be purchased at common hardware stores such as Lowes Home, Home Depot, etc.).

SETTLEMENT WITH DUKE ENERGY CAROLINAS ON COAL ASH ISSUES

- 1. Duke had a major coal ash spill in the Dan River in 2014. Both Duke Energy Carolinas and Duke Energy Progress had numerous violations (and pleaded guilty to even criminal violations) which caused the Dan River spill, as well as other environmental issues.
- As a result of the coal ash spill, North Carolina implemented the North Carolina Coal Ash Management Act of 2014 ("CAMA"), requiring cleanup and closure of ash basins.
- 3. The Environmental Protection Agency also implemented the Coal Combustion Residual ("CCR") Rule in 2015 to address disposal of coal combustion residuals.
- 4. As a result of CAMA and the CCR rules, Duke has had to recognize an Asset Retirement Obligation ("ARO") of over \$4.5 billion as of 9/30/2016 (\$2.1 billion for DEC and \$2.4 billion for DEP). In order to recover this ARO in the formula rate, Duke must receive FERC approval.
- 5. Wholesale customers were provided notice in summer of 2015 that Duke was going to seek recovery of their costs of complying with CAMA and CCR back to January of 2015. Dan River costs were specifically excluded.
- 6. The wholesale customer group, as well as other wholesale customers, were required to sign Confidentiality Agreements which limited our ability to learn about other settlements. This was critical, as any litigation at FERC over these issues would be extremely expensive.
- 7. Under FERC's general policies, a utility cannot implement rates that are retroactive. The wholesale customer group hired Stinson Leonard Street to provide a legal opinion as to whether Duke would be able to successfully "reach back" to the beginning of 2015 to recover costs if the case was taken to FERC. The legal opinion was that Duke's notice in summer of 2015 was sufficient to allow a FERC determination that Duke could implement the rates retroactively.
- 8. Duke's settlement offer was to charge the wholesale customers for its coal ash costs, but provide offsets for any costs disallowed by the North Carolina Utilities Commission ("NCUC"). This would move regulatory oversight to the NCUC, which will address cost recovery in the next retail rate cases, which are expected to be filed this year.
- 9. The wholesale group weighed the costs/risks of going to FERC versus accepting a retail parity concept and decided that NCUC would provide as

RE: RENAMING OF EXISTING STREET

To Whom It May Concern:

This office was contacted regarding the criteria for renaming a roadway in Gaston County. As the subject street for renaming is located within the corporate limits of Dallas, any official decision or recommendation for the road name change would be considered by the Board of Aldermen. The change to be considered is as follows:

To rename a portion of S. Spargo St., beginning at the 500 block and continuing to its end, to Jasmine Malker Way.

The proposed road name change would comply with existing Gaston County ordinances regarding E911. The impact of this road name change would affect three existing homes. Gaston County would be responsible for any map changes, E911 database updates, and notification to other agencies (Board of Elections, Gaston County Schools, USPS, Gaston County Tax), as well as any assistance needed regarding property owner notices. The erection and maintenance of new street signage would be the responsibility of the Town of Dallas.

If I can be of any further assistance or should you have any questions or concerns, please do not hesitate to contact me at (704)866-3530.

Sincerely,

Sarah Carpenter Penley Planning GIS Specialist III
