# TOWN OF DALLAS MINUTES FOR BOARD OF ALDERMEN MEETING OCTOBER 9, 2017 6:00 PM

The following elected officials were present: Mayor Coleman, Alderwoman Thomas, Alderman Huggins, Alderman Withers, Alderman Cearley, and Alderwoman Morrow.

The following staff members were present: Maria Stroupe, Town Manager; Da'Sha Leach, Town Clerk; Tom Hunn, Town Attorney; Allen Scott, Police Chief; Jonathan Newton, Finance Director; Steven Aloisa, Recreation Director; Steve Lambert, Fire Chief; Doug Huffman, Electric Director, and Bill Trudnak, Public Works Director. Shelly Williamson, Interim Development Services Director was absent.

Mayor Coleman called the meeting to order at 6:00 pm. He opened with the Invocation and the Pledge of Allegiance to the Flag followed.

Mayor Coleman read the meeting rules for the audience. He asked if there were any additions or deletions to amend the agenda. Town Manger requested to add 10D under section New Business for Planning Board Re-Appointments. Alderman Withers made a motion to approve the agenda with adding 10D under New Business for the Planning Board Re-Appointments, seconded by Alderman Cearley, and carried unanimously.

Alderwoman Thomas made a motion to approve the minutes from September 11<sup>th</sup> Regular Meeting and September 25<sup>th</sup> Work Session Meeting, seconded by Alderman Cearley, and carried unanimously.

### **Consent Agenda Items Removed:**

Alderman Cearley made a motion to remove Item 5B Resolution for Proclamation of Dyslexia Awareness Month and Item 5C Resolution for Proclamation Recognizing Jasmine Celeste Malker Day of Caring from the Consent Agenda, seconded by Alderwoman Morrow, and carried unanimously. Item 5B Resolution for Proclamation of Dyslexia Awareness Month was moved to New Business as Item 10E and Item 5C Resolution for Proclamation Recognizing Jasmine Celeste Malker Day of Caring was moved to New Business as Item 10F.

## Consent Agenda:

Authorization of Submission of Written Off Accounts to NC Debt Setoff

Alderman Cearley made a motion to approve, seconded by Alderwoman Thomas, and carried unanimously.

### **Recognition of Citizens:**

Mr. Robert Kendrick, 508 S. Groves St., He has concerns on the Flags. He recommended that someone is appointed to make sure they are flown correctly. Mr. Kendrick stated that the Town was going to purchase more flags but never did. He questioned why the Town didn't have budget money for additional flags when they are considering funds for speed humps.

Mr. Curtis Wilson, 438 S. Gaston St., He prayed over the agenda, and the community.

#### **Special Events & Requests for In-Kind Services:**

Item 7A was a request from Gary Buckner to conduct the 22<sup>nd</sup> annual "Gaston County Toy Run for Kids" Motorcycle Rally on Saturday, December 2nd starting at 12:00 pm. The event will be held along the E. Main Street, traveling to the Ingles grocery store parking lot where they will hand out toys for approximately 45 minutes. The estimated attendance is 800 to 1200 motorcycles with several box vans full of toys to disburse. (Exhibit A) Alderman Cearley made a motion to approve, seconded by Alderwoman Thomas, and carried unanimously.

Item 7B was a request to approve a Town sponsored for Veteran's Day Event on, November 13<sup>th</sup>, 2017. This event will be held to honor the Veterans and to dedicate a WWI/WWII monument on the Court Square. The event is expected to begin at 10:00 am with expected attendance approximately 150 veterans. This event is open to the public. Board members request audience to notify Town Hall if they know of any Veteran's that will attend the event so they would be sure to have a seat for them at the event. (Exhibit B) Alderman Cearley made a motion to approve, seconded by Alderman Withers, and carried unanimously.

Item 7C was a request from Alderwoman Thomas to personally sponsor a Martin Luther King Breakfast. The date of the event will be on Monday, January 15<sup>th</sup>, 2018 from 9:00 am until 11:00 am. Alderwoman Thomas plans to sell tickets for the event at \$10 each with \$5 from each sale going to the Dallas Rescue Squad as a donation in honor of her daughter. The breakfast is expected to be catered by The Country Kitchen. The estimated attendance is approximately 100 people. This will be the second year for this event. This event is open to the general public. (Exhibit C) Alderman Cearley made a motion to approve, seconded by Alderwoman Morrow, and carried unanimously.

**Public Hearings: None** 

Old Business: None

### **New Business:**

Item 10A was a budget amendment for Speed Humps on E. Wilkins Street and Lewis Street. On September 18<sup>th</sup>, 2017, the Board approved the requests to add a speed hump on E. Wilkins Street and one on Lewis Street. This budget amendment is accounting for the costs of the two speed humps installed. (Exhibit D) Alderman Cearley made a motion to approve the budget amendment as presented, seconded by Alderwoman Morrow, and carried unanimously.

Item 10B was for approval for a traffic calming policy. The Board was presented with two petitions for speed humps and they requested Staff to draft a policy for review since the Town currently does not have a Traffic Calming Policy. At the work sessions, the Board members discussed the proposed policy and made some recommendations. As the Board discussed the proposed policy, an audience member requested more information about the policy. Alderman Cearley briefly explained the policy and the reasoning that the Board understood the need to create one. Mayor Coleman made a recommendation to table this item so the community had time to get copies for review before the Board approved. (Exhibit E) Alderwoman Thomas made a motion to table the item, seconded by Alderwoman Morrow, and carried unanimously. Copies of the proposed policy can be picked up at Town Hall for review.

Item 10C was a discussion on Taking Pride in Dallas Coordinator position. Alderwoman Thomas requested this discussion since she is the creator and current Coordinator of the Taking Pride in Dallas Program. As an elected official up for reelection, she would like to remain the Coordinator whether she is re-elected or not. The Board members discussed and they decided it would be best for the new Board of Alderman to decide on the status for Alderwoman Thomas to remain as the coordinator of Taking Pride in Dallas if she isn't re-elected. Alderman Huggins made a motion table this item for the new Board that will take office after elections, seconded by Alderman Cearley, and carried unanimously. This will be an item on the December 11<sup>th</sup>, 2017 Regular Board Meeting.

Item 10D was a discussion for Planning Board Re-Appointments. It was noticed when reviewing the contact information that some of the Planning Board Members appointment terms had expired. There were not any meetings held during this timeframe. John Beaty, Glenn Bratton and Reid Simms were contacted to see if they would like to be appointed for another term and they agreed. Mr. Simms requested to move to an Alternate position and the current alternate Mr. Hood agreed to be a permanent member in place of Mr. Simms. During the discussion, Mayor Coleman presented a request from Mr. David Jones to be appointed to the Planning Board as an alternate. (Exhibit F) Alderman Huggins made a motion to approve the Planning Board Re-Appointments as recommended and appointing Mr. Jones as an alternate, seconded by Alderman Cearley, and carried unanimously.

Item 10E and 10F was discussed by the Board members for clarity of each proclamation.

Item 10E was a Resolution for Proclamation of Dyslexia Awareness Month. Dyslexia is a language-based learning disability that affects one in five people. This proclamation is to bring awareness for the month of October. (Exhibit G) Alderwoman Thomas made a motion to approve the Proclamation as presented for Dyslexia Awareness Month, seconded by Alderman Withers, and carried unanimously.

Item 10F was a Resolution for Proclamation Recognizing Jasmine Celeste Malker Day of Caring. Ms. Jasmine Celeste Malker lost her battle in January 2017 to a very rare bone disease that affects a small number of people but it still has an impact on many. The Day of Caring is to celebrate Ms. Malker's legacy and her willingness to contribute to the community & her school despite the limitations from the disease. Alderman Cearley asked if the Day of Caring would be a yearly event for the Proclamation Recognizing Jasmine Celeste Malker Day of Caring and Alderwoman Thomas stated she was asking for only one year, not re-occurring years. (Exhibit H) Alderman Cearley made a motion to approve Resolution for Proclamation Recognizing Jasmine Celeste Malker Day of Caring, seconded by Alderwoman Morrow, and carried unanimously.

# Manager's Report:

- -Caromont-Due to the weather, they will cancel the ground breaking ceremony but they plan to have a big grand opening in the Spring of 2018.
- -Chapel Hill Class- will be in class next week from Tuesday 17th thru Friday 20th.
- -Christopher Family- Shelley is working with them on their accessory structure situation.
- -Employee Meetings- Over the next two weeks, there will be several employee meetings to go over their benefits from the Town and some other resources. It is important that the employees know what they have available to them and we want to assist them in any way we can.

## **TOWN OF DALLAS**

# TRAFFIC CALMING CRITERIA AND GUIDELINES POLICY

#### **PURPOSE**

To adopt a policy for the appropriate and consistent treatment of traffic calming devices on Town-maintained streets.

#### **COVERAGE**

Upon adoption by the Town Board of Aldermen, this policy shall be applicable on Town-maintained streets until such time that the policy is modified or rescinded by the Town Board of Aldermen.

#### **POLICY**

The Town shall install and maintain traffic calming devices only on streets in or serving residential neighborhoods where speeding vehicles are the primary concern and traditional police enforcement is not feasible, in the judgement of the Town's Chief of Police. Traffic calming initiatives may include police enforcement, lower speed limits, parking controls, traffic circles, turn restrictions, changed street patterns, street closures, multi-way stop intersections, speed humps, striping, and/or other. The following procedures are meant to ensure that traffic calming devices are installed and used as intended and that their installation has the support of the affected neighborhoods.

### **QUALIFYING CRITERIA**

- 1) Streets for which traffic calming devices are requested must be residential or serve residential neighborhoods.
  - a) Street has no more than two lanes.
  - b) Street width is equal to or less than 35 feet.
  - c) Posted speed limit is 25 MPH or less.
  - d) Street alignment does not exceed 300 feet radius in curves.
  - e) Street grade shall not exceed 8% at any point within 300 feet of the proposed location of traffic calming devices.
  - f) Average daily traffic volume on the street must be a minimum of 300 vehicles.
  - g) Street should not be a primary emergency medical services route.
  - h) Street should have curb and gutter in place.

# 2) Speeding must be the chronic problem on the street.

- a) As measured by the Police Department traffic monitoring devices, 15% of the traffic should be equal to or greater than 5 MPH over the posted speed limit during a measured 24-hour period.
- b) Traditional police enforcement of speeding is not feasible in the judgement of the Town's Chief of Police.

- 3) Requests for traffic calming devices must be initiated, accepted, and supported by the property owners on the affected street(s). Requests are to be submitted to the Town of Dallas Public Works Director.
  - a) Installation of traffic calming devices must be requested through a petition signed by at least seventy-five percent (75%) of the owners of lots on the street(s) on which the devices are to be installed whose property is within 500 ft. on either side of the proposed device site.
  - b) If another outlet is available, signatures of owners of cul-de-sac lots are not necessary beyond the 500 ft. requirement noted in Section 3(a). If no other outlet is available, owners of lots on any cul-de-sacs that intersect with the street(s) for which traffic calming devices are being requested must be included in the petition and in determining the required participation level, even if beyond the 500 ft. requirement noted in Section 3(a).
  - c) Upon verification that a petition meets the required level of support as noted in parts a and b of this section and that the qualifying criteria as noted in sections 1 and 2 are met, the Town Public Works Director, in conjunction with the Town's Chief of Police and Fire Chief, shall develop a sketch plan indicating the type(s) and location(s) of the proposed traffic calming devices(s) to be installed. The sketch plan shall then be presented to the Town's Public Works Committee for its review and approval. The sketch plan must also be approved by the homeowners' association for the affected residential neighborhood through a resolution or letter of support. If the affected neighborhood does not have a homeowners' association, the sketch plan must be approved by a simple majority of the owners of the property on the affected streets through a petition or letter endorsing the sketch plan.
  - d) The development of a sketch plan shall include, but not be limited to, consideration of the following placement guidelines:
    - i) Located at least 200 feet apart.
    - ii) Located such that a stopping sight distance of 200 feet or more at 25 MPH is proved.
    - iii) Located at least 200 feet from an intersection.
    - iv) Placed under street lighting for greater visibility.
    - v) Located a minimum of 5-10 feet from a driveway.

# 4) Approval of and Prioritization for Installation

- a) After all of the steps in section 3 have been satisfied, the Board of Aldermen shall make the final decision as to whether to approve the installation project. The Town Board of Aldermen reserved the right, in its sole discretion, to deny any request for installation of traffic calming devices on Town-maintained streets.
- b) Should there be more than one project submitted and approved at any given time, the Town Board of Aldermen shall approve a rating of the projects for prioritization so as to determine a schedule for installation. All approved projects are subject to funding availability.
- c) If a request for installation of a traffic calming device is denied, reapplication can be made after one (1) year. No reapplications within the first year will be considered.

# 5) Removal of Traffic Calming Devices

- a) Upon recommendation of the Public Works Committee and action by the Town Board of Aldermen, the Town may at any time remove any traffic control device when it is determined to be in the best interest of the Town.
- b) Citizens may initiate a request for removal of traffic calming devices through a petition process meeting the same criteria for signatures as required for requesting installation. Requests for removal may not be submitted within the first year after initial installation of device. Upon certification that the required level of participation is met, the request shall be reviewed by the Public Works Committee and a recommendation made to the Town Board of Aldermen. The Town Board of Aldermen shall make a final decision on removal.

# **Attachment A -- Traffic Calming Request Form**

This form is used to report a speeding or traffic problem on a residential street. When this form is submitted, Town staff will evaluate the complaint to determine the nature of the problem, and make sure that the location is a Town-maintained, residential street. After the initial report, Town staff will explain how residents may put together a petition to verify that there is a widespread concern for the speeding or traffic issue.

# **Attachment B -- Neighborhood Petition Form (Page 2)**

This petition is provided so that residents in a neighborhood may verify that there is a widespread concern for a speeding or traffic issue.

Town staff will identify an "area of influence" in the neighborhood. The area of influence will be as outlined in the Traffic Calming Policy. The petition must be signed by at least 75% of the property owners of properties within the area of influence. Each property is entitled to one signature. Valid signatures include those from a property owner or spouse.

The Development Services Director can provide a map and addresses for the area of influence.
