

## **Unified Development Ordinance Steering Committee Application**

The Town of Dallas is seeking volunteers to participate in a steering committee to help with drafting the Town's first Unified Development Ordinance (UDO). A UDO is an ordinance that combines all land use development regulations into a single, easy to use document. The original Zoning Ordinance was first adopted in 1970, the Subdivision Ordinance was passed in 2001. Neither has been updated aside from specific text amendments since original adoption and need updating to provide ease of use and incorporate current best practices.

Town Staff, with the guidance of consulting firm CodeWright Planners, will kick off the project in January of 2023. Anyone with experience who has interest in providing input and suggestions is encouraged to apply to be a member of our steering committee. Please fill out the application below and return to the Development Services Department by Thursday, December 22, 2022. Please email the completed application to [dallasplanning@dallasnc.net](mailto:dallasplanning@dallasnc.net).

**Please answer the following questions (check all that apply):**

**Dallas Resident**

**Developer in the Town of Dallas**
